

The following requirements are to be read and signed by each parent. Failure to comply with these team policies could cause your child to not play the full game each week. Before signing please understand these policies. This form will be kept on file with the Mesquite Soccer Association.

- **Player's Attendance:** in order to play the full game each week - each player must attend the practices during the prior week. ***This will be strictly enforced this season.*** Not attending practices affects not only your child but also the rest of the team. If you are not able to attend a practice, please call me and inform me of the reason for the absence.
- **Game Attendance:** please have the girls be in attendance for the full game unless a prior arrangement has been made. Please arrive at the field at least 25 minutes before the scheduled game time.
- **Parent's Attendance:** at least one parent or guardian must attend the full game (unless a prior arrangement has been made).
- **Equipment Requirements:**
  - shin guards (without shin guards a player cannot practice or play)
  - appropriate shoes for running in (preferably cleats)
  - size 3 soccer ball (for girls to bring to practice and play with at home)
  - uniforms for game time
- **Jewelry:** each player should remove all jewelry before practices and games. Jewelry could injure another player and also the player wearing the jewelry. Referees should require players to remove all jewelry so let's get in a habit at practices also.
- **Registration Cost & a Copy of a Birth Certificate:** these will be due to me before the first game. I will provide everyone with a deadline for these items.
- **Health Issues:** please inform me prior to the first practice of any health related issues that would have an adverse effect on your daughter running.
- **Doctor's Notes:** if your daughter has been injured (i.e. broken bone, etc) a doctor's note will be required for your daughter to practice/play.
- **Game Behavior:**
  - Excessive yelling will not be allowed!
  - If your daughter gets hurt during a game, I will enter the field of play when permitted by the referee. If the injury is severe, the parent(s) will be asked to come onto the field immediately.
  - Excessive verbal abuse to a referee will not be tolerated! You will be asked to leave the field if your verbal tone is not corrected.

\*\*\* If you have any questions or concerns about these team policies, please see me as soon as possible to discuss any conflicts.

I look forward to a fun and great season.

Sincerely,

Brian CdeBaca
